April Fool's Day

All the pranksters and tricksters in the world, rejoice! You got to celebrate the one day out of the year that you have permission to fool your family and friends! People need at least one out of 365 days to express their inner clown, right? We hope you had a pranking good day!

But, what we don't want you fooling around with is creating your own tests for your program and doing skills tracking by hand. You don't have time for that! We have the time saving tools and resources for you, all made affordable!

No jokes about this - **We have helped SEVERAL HUNDREDS of training programs become more efficient. WE CAN HELP YOU TOO.**

Until then, have a fantastic entry into Spring from all of us at Platinum Educational Group!

Who is Platinum Educational Group, exactly?

As Platinum Educational Group continues to broaden the versatility of their solutions for healthcare professions, as well as increase our audience, we would like to remind people of who we are and what we do!

We are staunch advocates for the highest degree of training for all nursing programs. **We are proud to boast the best, and most cost-efficient, testing, skills tracking, scheduling, and reporting for all levels.**

"Unlike many companies, Platinum Educational Group is a system of educational support, helping to transform the way you teach. They function as educational partners. I never cease to be impressed with their customer service." - Daniel Linkins, Program Director and Dept. Chair

Our Mission: Deliver valid and reliable testing, assessment, scheduling, skills tracking, and reporting solutions.

Our Vision: Every learner in the world can benefit from our solutions.

They're Back! Platinum Educational Group 2018 Scholarships Program has been Announced!

\$1000 Awards for EMS, Nursing, and Allied Health

Both students and instructors have been very excited about this year's scholarship program offered by Platinum Educational Group. We have had numerous emails and phone calls asking when students can start applying. Well, the time has come! We are proud to announce our 2018 application packet is ready!

Platinum Educational Group Announces Relationship with Feuer Nursing Review

As a leader in preparing nursing students for NCLEX and State certifications examinations, Platinum Educational Group understands the importance of having a well-balanced learning plan. This includes incorporating correct study tools like true computer adaptive testing and detailed online reporting features with applying essential concepts and principles when answering NCLEX-style questions and comprehensive review courses. To provide nursing students with both, Platinum is pleased to announce its new collaboration with Feuer Nursing Review.

Easy Demo Scheduling!

"We are a Practical Nursing program just finishing up our first year using Platinum Planner for our clinical scheduling and documentation. As the program coordinator responsible for all clinical scheduling this platform has made my job so much easier! I have been very happy with the support from Platinum Educational Group. I appreciate how responsive they are to any questions or needs and the outstanding training I received to set everything up. Very pleased!" - Pamela Thurman, BSN, RN, CPA, Practical Nursing Coordinator, Franklin Technology Center at MSSU

Cognitively Competent

By Tom Gottschalk, COO, Medical Educator

As I have mentioned in the past, for the last eight years I have elected to renew my national certification by testing rather than submitting proof of ongoing continuing education. This year however was a little bit more thrilling than others. To renew my credentials, I needed to pass the computer adaptive experience the first time because I had no plan B option of submitting stacks of training sessions if I failed. A first time for me, and an extra layer of pressure added to an inherently stressful event for an old dog wondering if I still "got it."

Blooms Taxonomy

Why should I incorporate this model into my teaching methods?

In 1948, psychologist Benjamin Bloom, along with his peers, created Bloom's Taxonomy.

- Taxonomy is a classification into ordered categories.
- Eponyms is word based on or derived from a person's name.

In academia, Bloom's Taxonomy is often used by educational institutions and educators across the board. This framework is a tool that acts as an aid in the learner's comprehension of concepts that are introduced in the classroom. The premise of this hierarchical model is to start at the bottom and to work up to the top. In this article, medical terminology is used to illustrate how this model can work.

The Psychology of Nurse Burnout - A Compensated Survey

By Bret Arnold, Doctoral Student of IO Psychology

Hello everyone! I'm doctoral student of psychology researching the psychology of nurse burnout. My research questions are things like: What makes a person resilient to emotional exhaustion? Can we train that resilience? If not, what can a hospital do to help? If you're a nurse or nursing student, then you can help us with our research by taking our survey here:

Ask the Customer Support Team

Q: In PlatinumTests, how do I share a test I've created with another instructor in my program? A: To Share a test you've created with another instructor in your program, click on "Manage Tests" from your instructor home page within PlatinumTests, and then click "edit test" to the right of the test you'd like to share. When the "Edit Test Settings" page appears, check the box marked "Share this test with other instructors in my school" and then click "Save" on the lower right of the page. This test is now shareable with any other instructor at your institution.
